SUZANNE COWLEY, L.P.N.	:
LICENSE # NP 05660100	:
TO PRACTICE NURSING IN THE	:
STATE OF NEW JERSEY	:

This matter was opened to the New Jersey State Board of Nursing (" Board") upon the receipt of respondent's request for reinstatement of her nursing license, which had been suspended on October 25, 2010 based upon her failure to comply with the terms of a private letter agreement entered into with the Recovery and

Monitoring Program of New Jersey (RAMP). Respondent enrolled in the Professional Assistance Program of New Jersey (PAP) in December of 2011, at which time she underwent evaluation and it was ascertained that she had made significant recovery efforts; and a subsequent submission from PAP staff on May 30, 2012 indicated she was compliant with the program and in documented recovery with respect to alcohol dependence for three years.

The Board has determined that respondent's enrollment in PAP is sufficiently protective of the public health, safety and welfare. Accordingly, inasmuch as PAP recommends reinstatement of respondent's nursing license, and for other good cause shown,

IT IS on this 24th day of July, 2012

HEREBY ORDERED AND AGREED that:

1. Respondent's nursing license shall be reinstated upon review and approval of the required application and the Criminal History Background Check, payment of the appropriate fees, and compliance with any relevant continuing education requirements for reinstatement.

2. Respondent shall refrain from the use of any and all potentially addictive substances except as prescribed by an authorized health care practitioner who is made aware of

Respondent's substance use history. Respondent shall report any such use to the PAP in writing within five days of receiving such a prescription together with the name of the prescribing health care practitioner, the name of the drug, the quantity, frequency, expected length of use and reason for its use.

3. Respondent shall remain enrolled in, and comply with all of the terms and conditions of, participation in the Professional Assistance Program of New Jersey (PAP), until released by PAP. Respondent shall cause PAP to inform the Board in writing if respondent is non-compliant with, or is terminated from or resigns from further participation in the program together with the reason for and complete documentation of the non-compliance, termination and/or resignation. Notification of the Board shall be within 24 hours of determination of non-compliance, termination or resignation, or as soon thereafter as is practicable. Respondent shall provide PAP's Executive Medical Director with a complete copy of the within Order.

4. PAP shall provide reports on a quarterly basis to the Recovery and Monitoring Program of New Jersey (RAMP), which reports shall be sent to the attention of Jamie Smith, R.N., Recovery and Monitoring Program, 1479 Pennington Road, Trenton, New Jersey 08618. These reports shall indicate respondent's degree of compliance with the monitoring plan.

5. Respondent shall provide a release to PAP allowing PAP to provide pertinent reports, records and other information pertaining to respondent to the Board, and to the Recovery and Monitoring Program of New Jersey (RAMP), the Board's designated monitor. Respondent's signature on this order signifies respondent's waiver of any right to confidentiality with respect to these matters, and respondent's agreement that the Board may utilize any such reports, records and other information it receives from PAP or RAMP in any proceeding regarding respondent's licensure and that the Board may release any pertinent information in its possession to PAP or RAMP.

6. Respondent shall attend regular 12 step support group meetings or the equivalent, and nurse peer support group meetings, as required by PAP. She shall attend individual counseling and psychiatric treatment until successful discharge, if required by PAP. Respondent shall not engage in the practice of nursing if so advised by PAP, and shall confine her employment and employment schedule to settings and schedules approved by PAP.

7. Respondent shall submit to random observed urine testing or hair testing as required by PAP. Respondent's failure to submit to testing or provide a urine or hair sample when requested shall be deemed to be a violation of the terms of this Order.

8. Respondent shall notify the Board, PAP and RAMP within 10 days of any change of address, or any termination, resignation or leave of absence from any place of nursing employment.

9. Respondent shall immediately inform each employer representative and nursing supervisor of the terms of this Order and provide them with a copy of the Order. Respondent shall ensure that each employer representative and nursing supervisor provides written notification on facility letterhead to RAMP and PAP, acknowledging receipt of a copy of the within Order and its terms.

10. Respondent may apply for the removal of the restrictions imposed by the within Order upon successful completion of PAP. The Board reserves the right to require respondent to appear before the Board and demonstrate her fitness to practice without further monitoring at such time.

11. Any deviation from the terms of this Order without the prior written consent of the Board shall constitute a failure to comply with the terms of this Order. Upon receipt of any reliable information indicating that respondent has violated any term of this Order, respondent's license may be automatically suspended by the Board. Respondent, upon notice, may request a hearing to contest the entry of such an order. At any such hearing the sole issue shall be whether any of the information received regarding respondent was materially false. In addition, the Board reserves

the right to bring further disciplinary action.
